HOW TO BUILD COMMUNITY

- Put up a swing
- Help carry something heavy
- Barter for your goods
- Start a Tradition
- Ask a question
- Hire young people for odd jobs
- Organize a Block Party :)
- Bake extra & share
- Ask for help when you need it
- Open your shades
- Sing together
- Share your skills
- Take back the night
- Turn UP the music
- Turn DOWN the music
- Listen before you react to anger
- Mediate conflict
- Seek to understand
- Learn from new and uncomfortable angles
- Know that no one is silent though many are not heard
- Work to change this...

Let's all pick a few of these to work on ... and share them with a neighbor! THE END
