

## January Meeting

Recycling was discussed. Follow up will be done with the large recycling companies to gain more information on their recycling practices. A discussion of the grant bid request to buy a new bailer. It was noted that if/when the Bailer arrives in the spring which will compact recycling volume. There was a discussion of chipping the stumps/brush instead of burning them, and the possibility of expanding the Class III site. It was noted that all tax refund requests go to Vickie Zeier at MC Clerk & Recorder / Treasurer's Office. No refunds can be done at the Refuse District. Information of the Emerald Lakes Subdivision was forwarded to Greg Robertson, Director of MC Public Works. Dan Larson of Larson Disposal made a request to have the Refuse District bill the Commercial Customers who go over their 10 yard allotment instead of Larson Disposal. A special meeting was set February 8, 2010 with an invitation for Greg Robertson and Jeff Seaton of MC Public Works to attend.

Meeting Adjourned at 8:29 pm
