Dear Residents

I'm asking for the support residents, businesses and local boards from Seeley Lake to assistance me in achieving funding for the collection system and treatment plant for Seeley Lake. I would like to have each organization, business and resident to write a letter to the U.S. Congressman and Senator's as well as local and State representatives. To explain what a sewer system would mean to Seeley Lake.

I'm asking the local realtors to write a letter to explain what a community sewer system would mean for.

- ❖ Future Business
- ❖ Affordable Housing
- ❖ Condominiums
- ❖ Adult Living Centers
- ❖ Assisted Living Centers
- ❖ Restaurants etc.

I'm asking the Hospital board to explain what it would mean to have a community sewer system. And how it would fit into their plans for the

- ❖ Clinic
- ❖ Assisted Living Center
- ❖ Nursing Home

I'm asking the Community Counsel to address the problems with our local community for

- ❖ Affordable Housing
- ❖ Community Center
- ❖ Business Community
- ❖ Attracting Jobs for residents

I'm asking the local environmental groups to address what it would mean to the

- ❖ Ground Water
- ❖ Lakes
- ❖ Streams
- ❖ Rivers

I'm asking the Seeley Lake Chamber to address the following issues

- ❖ Public Restrooms
- ❖ Water Quality
- ❖ Attracting Visitors
- ❖ Attracting Businesses to hire local workers

Please assisting me in this endeavor. I'm meeting with Congressman Rehberg on the 7<sup>th</sup> of January at a listening session to discuss this project. I will be meeting with all the representatives in the next few months so please address your letters to the following or just a general letter of support. Please e-mail your letters of support to me and send as many as you can to the following.

Thank-you

Randy Gordon
